Expertise and Craftsmanship

Since 1985, the Ring Contractors team of Henry Rengifo, Felix Grullon, Leonardo Ruiz and Lidia Cabrera have served jewelry stores and designers with unsurpassed craftsmanship, reliability and service. Insured by Lloyds of London, we are entrusted by our clients with their customers' jewelry.

We supplement the services of repair staff, taking care of overflow work, as well as providing additional expertise for difficult repairs. Whether a broken clasp, a complex setting or a custom casting, our expertise, craftsmanship and quality standards will exceed your expectations. Email or call us for your next design project or repair.
